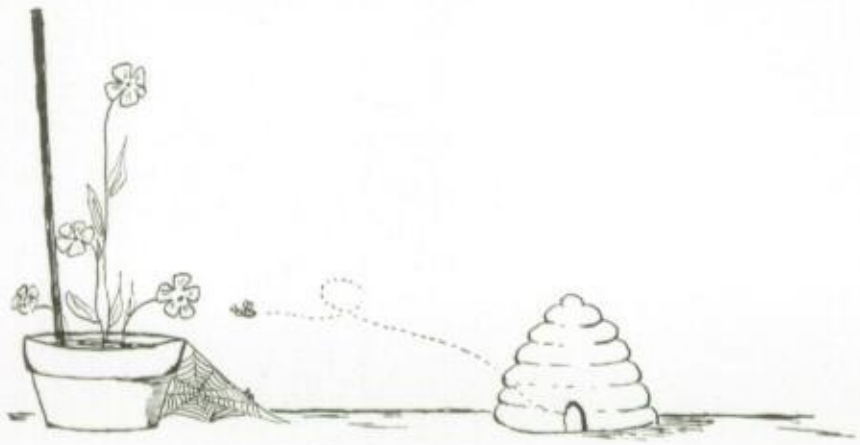
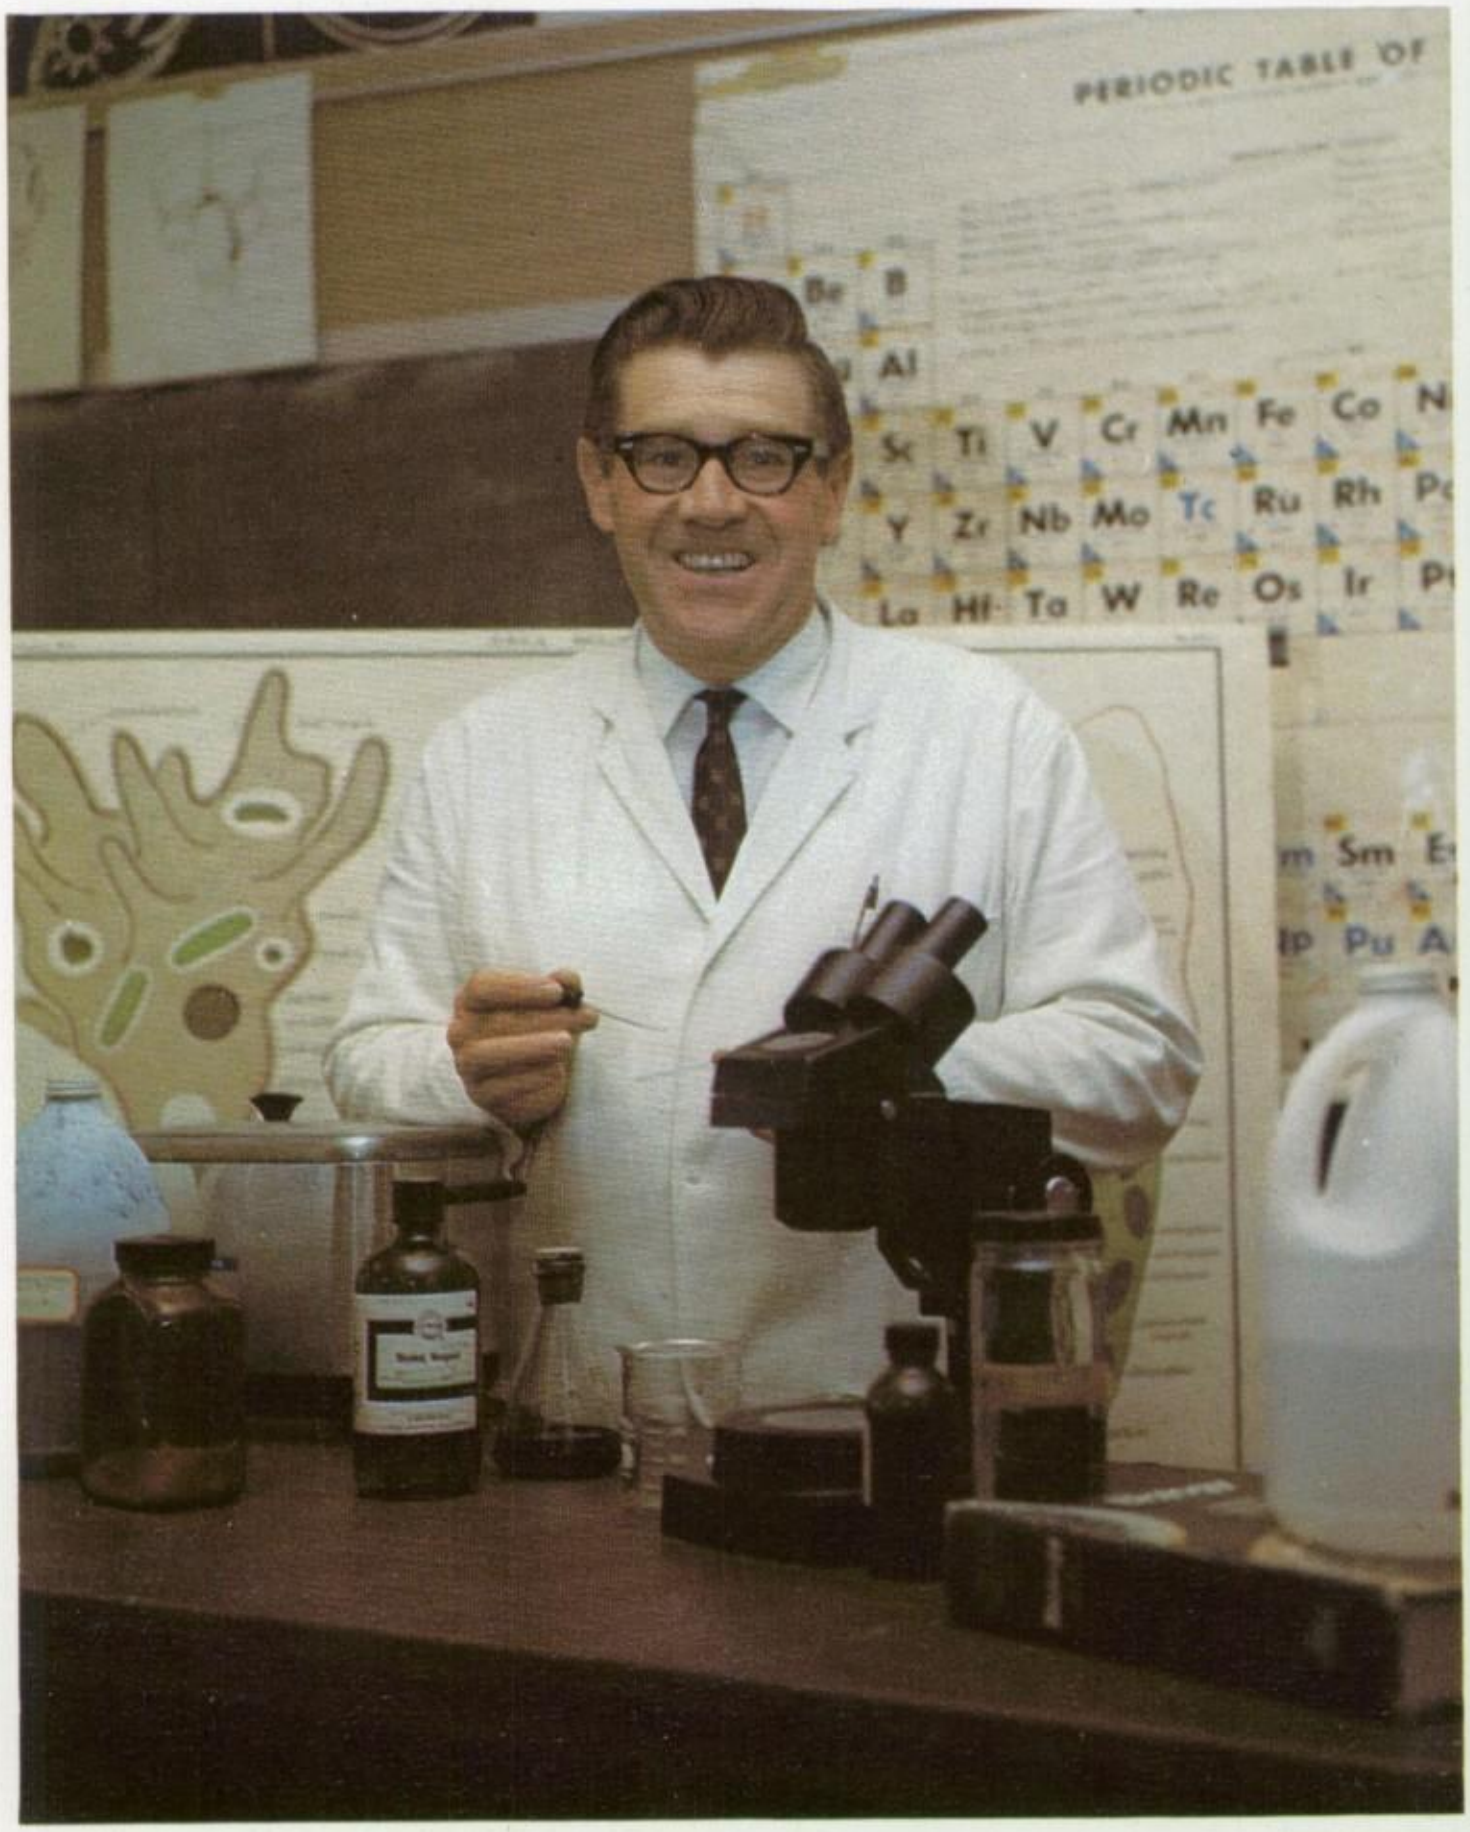
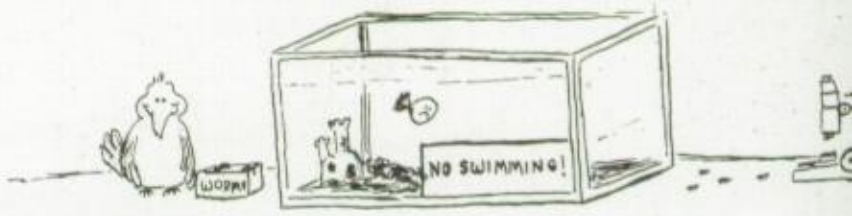
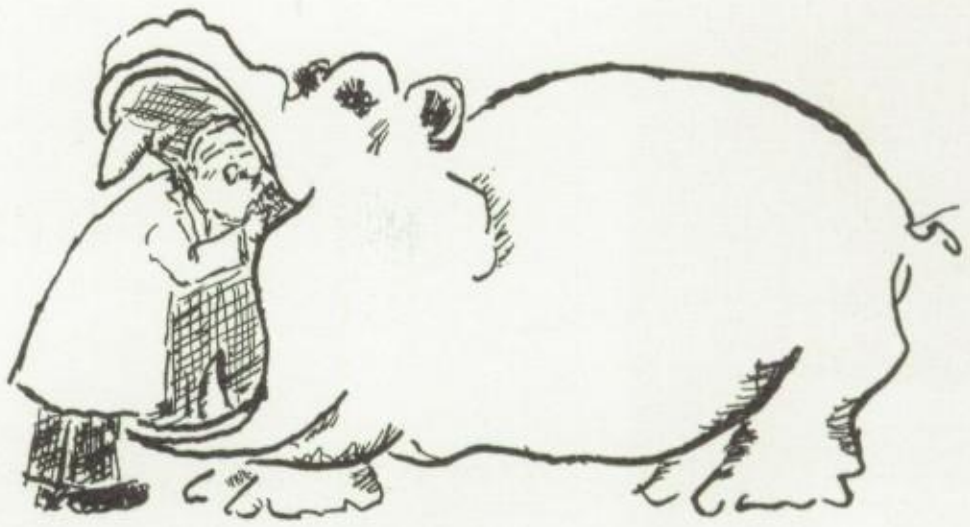
Children's faces are reflections of innocence and of a character yet unmolded. It is the aim of this Yearbook to show how the various impressions and identities mirrored in the students' faces will become more discernible as they acquire their personal qualities and convictions.

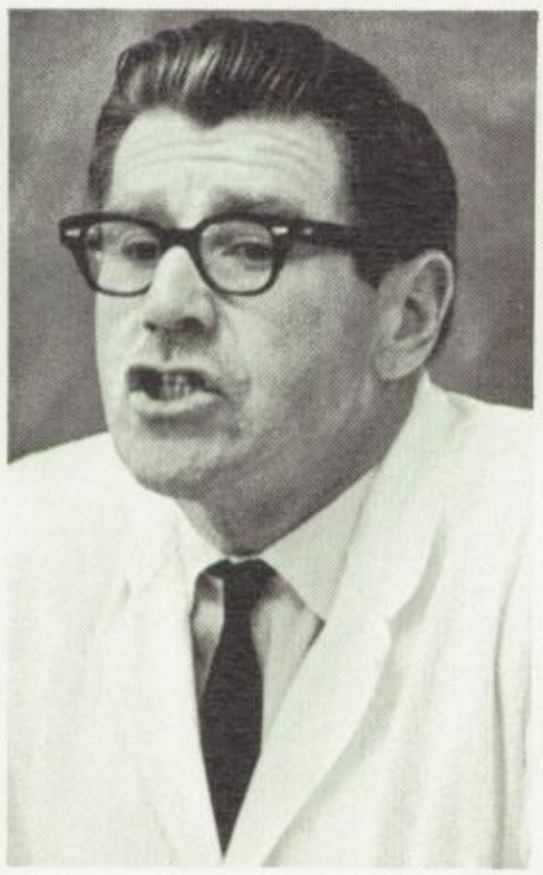
KENNETH KANE











Mr. Kane, you are the one to whom we proudly dedicated our 1971 Edition of the BLUE AND GOLD. We, the Class of 1971, feel a special affection for you - one that no doubt has been felt by many of your past students. In your twenty years of service to our school, your eternal friendliness and the trust that you gave willingly and equally have impressed all with whom you have come in contact. As well as being a teacher o of such an immeasurable caliber, you have woven threads of peace into our turbulent fabric.

Our class wants to honor you, Mr. Kane, with this dedication, but more importantly make recognition of the high standards which you have freely shared in Unionville for two decades.

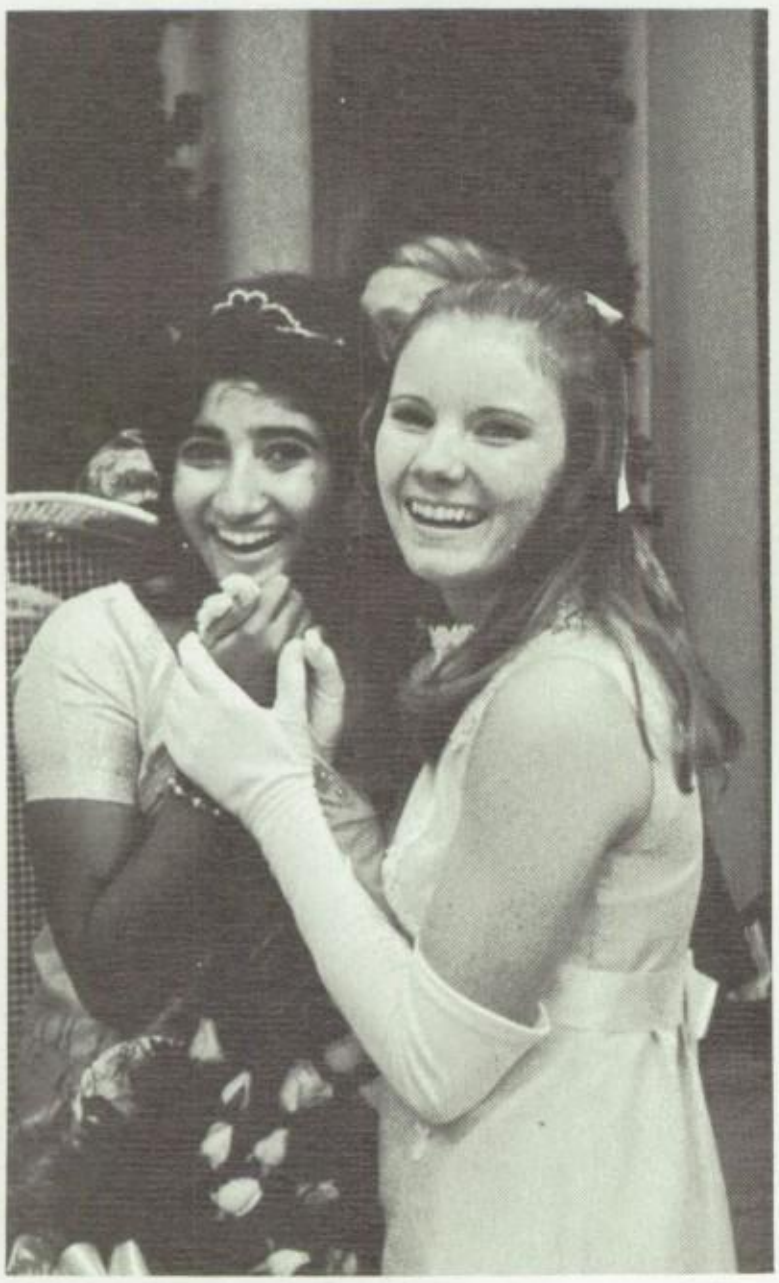
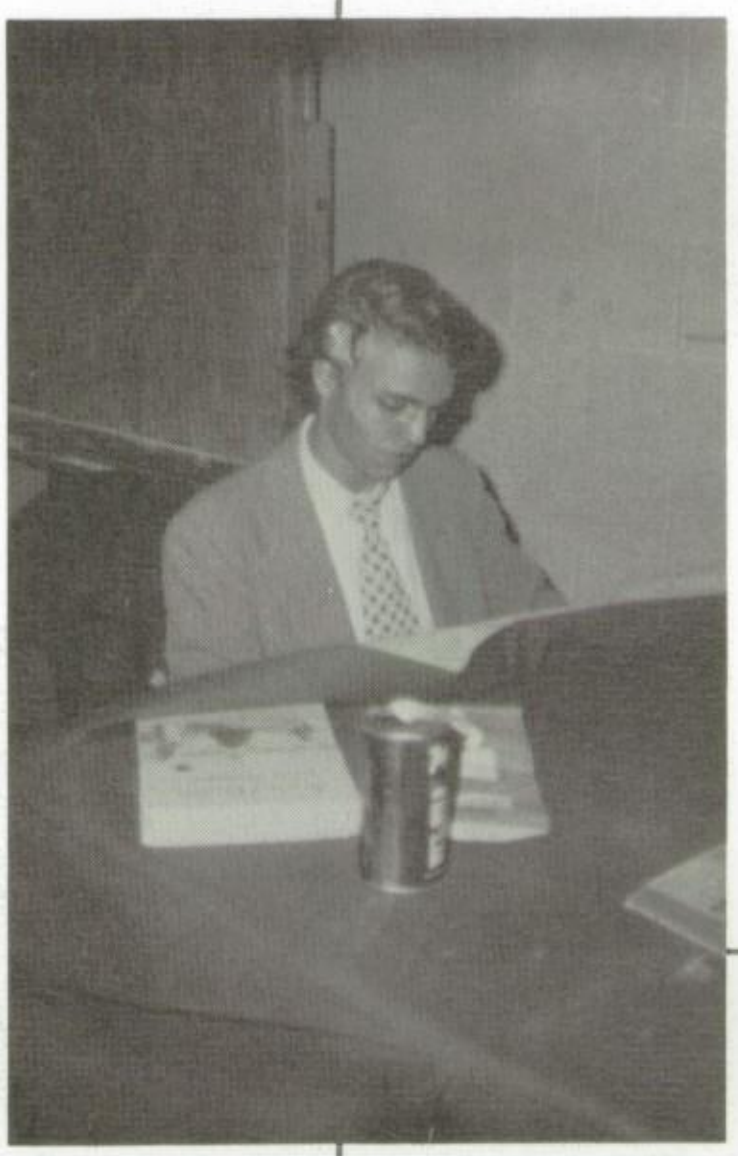
International Harvest Festival



In keeping with the International theme, our foreign exchange student, Ahalya (Holly) Subramaniam was chosen the 1970 Harvest Queen. As was the case in last year's pageant, the Harvest Queen also received the Friendship Award. The pageant proved rewarding to the other contestants, who all contributed a great deal of effort.

"All My Sons"



The Senior Class presented the play "All My Sons," by Arthur Miller, a post World War II story of a man who, through one immoral and unethical decision, indirectly caused the death of twenty-one men. The play focused on the effect the decision had upon the lives of Joe, his family, and his friends.

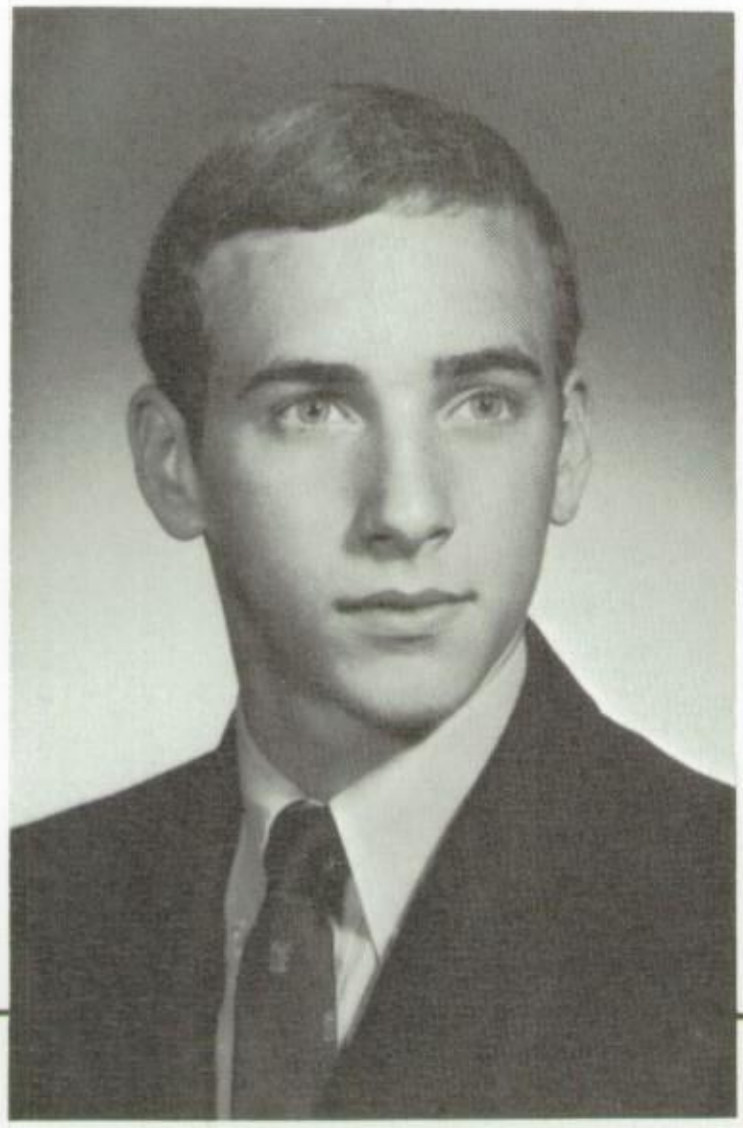
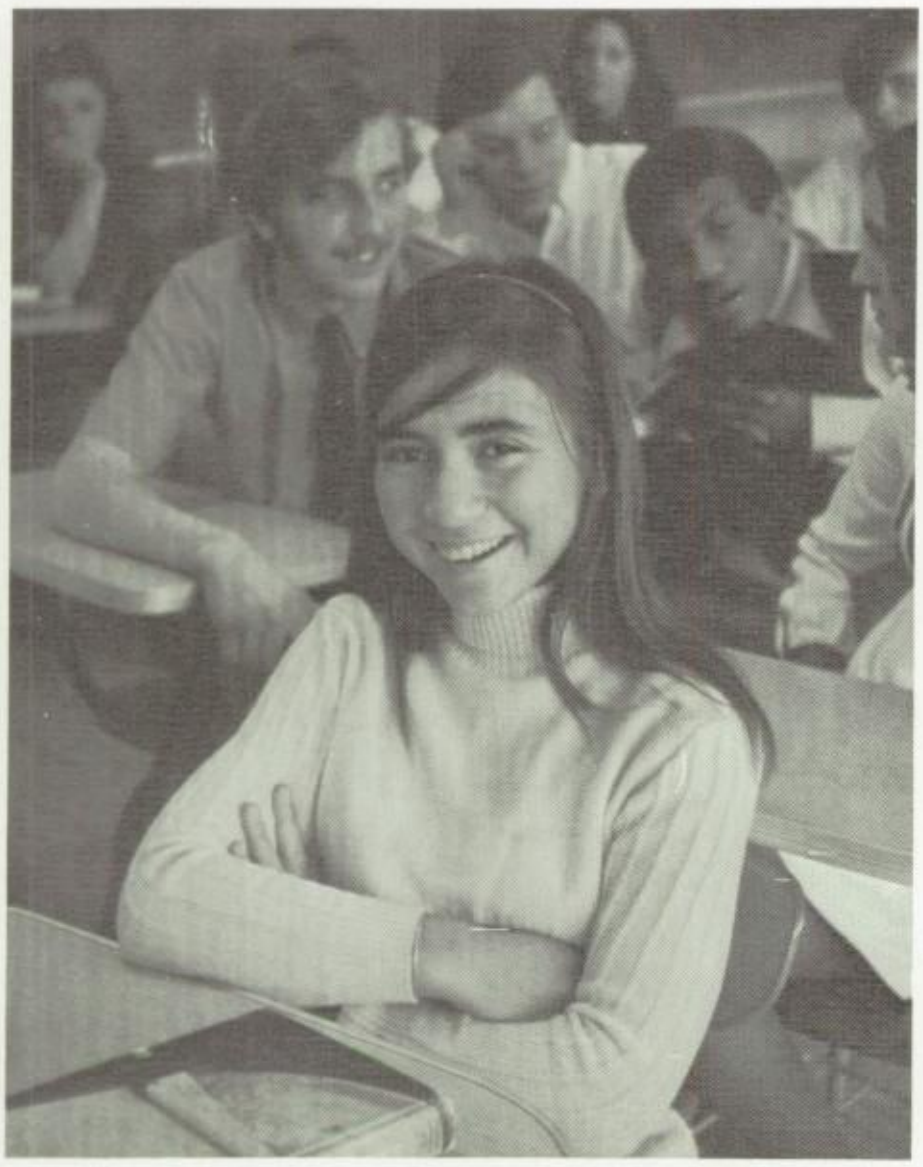
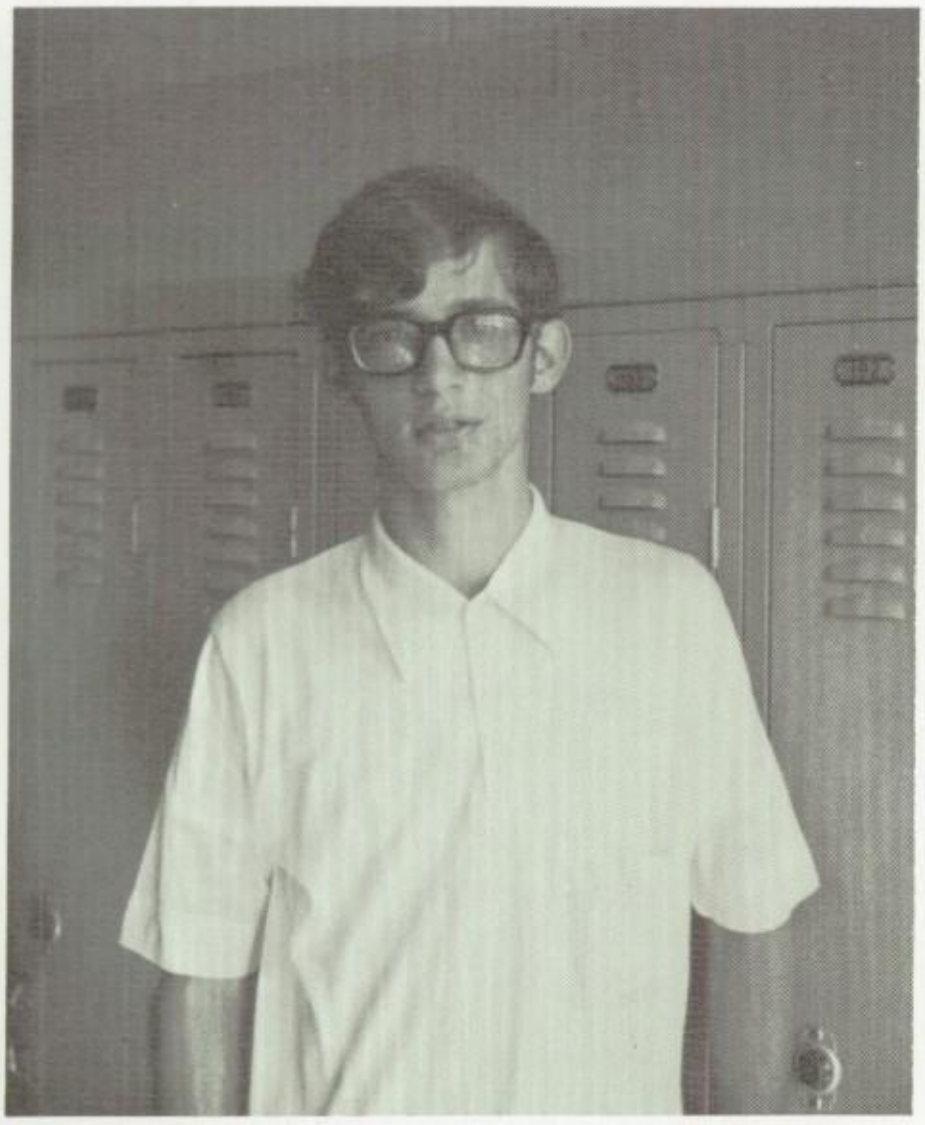
Exchange Students







Adding variety to this year's student body, Unionville was fortunate to have three foreign exchange students. Sponsored by the American Field Service, Ahalya Subramaniam arrived in September, and was hosted by Ellen Dengler. Nelva Carulli (Dodi) from Argentina, and Ludgero Sant' Anna de Paiva (Jerry) from Brazil are both exchange students who arrived in January through the exchange program of the Rotary Club of Kennett Square. Dodi enjoyed life in America while living with Kathy Hooper, as did Jerry who stayed with Mark Crane.

Two faces were missing from the senior class this year: that of John Stively who is living in Japan, and James Spellman who is in Argentina. Both John and James will return as seniors next year. Prior to entering her Senior year, Anne Marshall enjoyed a marvelous summer in Sweden on the summer AFS program.

The class of '71 feels that they have benefited greatly from their exposure to foreign culture through the foreign exchange programs, and sincerely hope for its continued success.

This year's junior varsity hockey squad was very ably coached by Mrs. Molnar, the Unionville Elementary School gym teacher. The team showed much promise and potential which became apparent in their season record of 5 wins, 4 losses, and 2 ties.

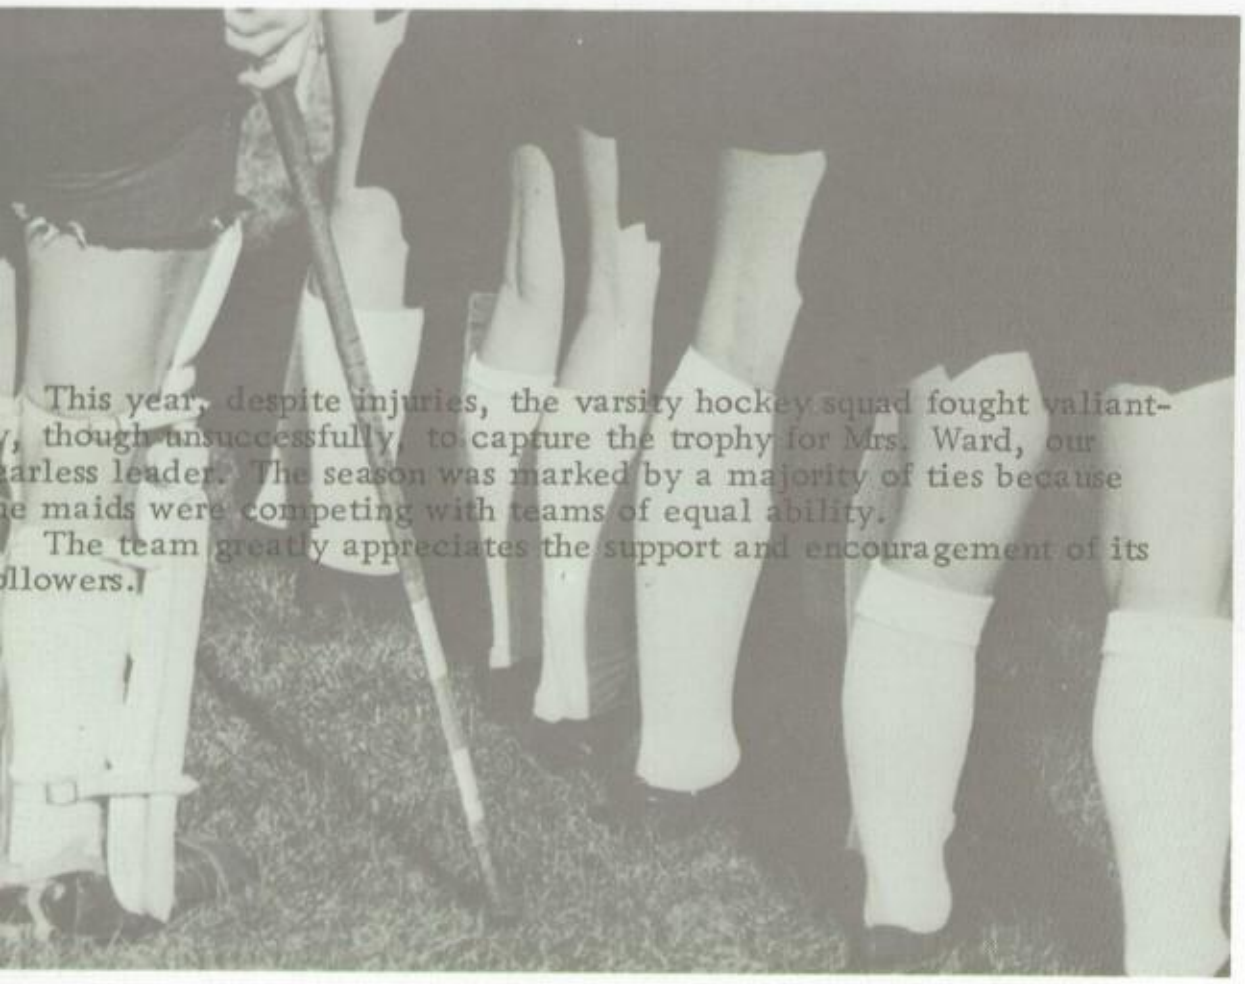
Kennett	1	UHS	3



This year, despite injuries, the varsity hockey squad fought valiant-
, though unsuccessfully, to capture the trophy for Mrs. Ward, our
earless leader. The season was marked by a majority of ties because
e maids were competing with teams of equal ability.
The team greatly appreciates the support and encouragement of its
llowers.

Coach: Kenneth Kane

The varsity soccer team under the guidance of Coach Kane had varied success this season, compiling a record of six wins, six losses, and three ties. After winning three of their first four games the Indians lost a close decision to Kennett, cancelling any chances of catching West Chester, who had an undefeated season. Dan Kelly, a sophomore, was the team's leading scorer with eight goals. Chip Aquadro tallied three goals with Carl Hansen and Roger Humpton scoring two goals each. Jay Abrahamovich, also a sophomore, did a fine job as goalie throughout the season. With twenty-one members of this year's squad leaving, next year's team will rely heavily on the skills of players from the current J.V. team.

Varsity & J.V. Wrestling

The varsity wrestling squad, under the watchful eyes of Coach Tharp, is looking forward to success this year after several mediocre seasons. Veteran matmen returning to the Varsity squad with experience in the skillful maneuvers of wrestling include Mike Miller, Randy Squire, George Snyder, Pete Swab, Karl Thompson, and Alan Thompson. So far the team has tied one match and lost their second, but the season is still young and the outlook is optimistic for victory in league competition.

The Junior Varsity team, coached by Mr. Ramberger, is having its best season of the last few years. Undefeated thus far in all their matches, the young Indians hope to bring the league championship home to Unionville this year.

Boys Varsity

The Indians had a frustrating season this year, totaling only two wins in league competition. However, with consistent scoring by junior, Danny Kelly, displays of good ballhandling by newcomer, Brian Blake, and excellent individual performances by other members of the squad, the Indians took several commanding leads only to find that minor errors and perhaps "Lady Luck" were on the other teams' side. The old rivalry between Kennett and Unionville is still alive as was apparent in the final game of the league series. In the first meeting of the season, Kennett had blanked all of the Unionville squads, but the outcome of the rematch looked like it would be a reversal of the former decision. With three of the squads having already won, the Varsity Indians took to the court with a determined look in their eyes. The lead wavered between the two teams and it seemed as if Unionville would pull it off, but when the final buzzer rang, the Indians were behind by a three point deficit.

With several players returning and an ample supply from the champion J.V. squad, Coach Ferron is looking forward to a winning season next year.

UNGAWA

Basketball

Early in this year's season, with only two Varsity letter-winners returning and a decided lack of height, the chances for clinching a league championship seemed remote, that is, to everyone but the team and its coach. Although plagued by injuries, the team met the first onslaught of their competitors with determination, and, gathering confidence and momentum, they gained a three-game winning streak. In their fourth game of the season, however, the Kennett team squeaked by the Indian maids in a 22-20 decision. With the bitter disappointment of recent defeat, the squad members vowed never to let it happen again, redoubling their efforts to improve. Their persistent energies were rewarded as, once again, they managed to chalk up wins against Octorara, Oxford, and Avon Grove in increasingly well-played games. All that remained was one game - one which would determine whether the championship would rest, uncontested, in the hands of the Kennett Demons, or whether the Unionville team would assert its skill and demand its share. In a tightly defensive game literally sparked by the static and intensity generated by such pressure, the maids turned their famous doubting spectator into a believer in their 15-10 upset over the Demons, tying them for first place. The 1970-71 basketball team and its unshakably faithful coach not only became justified in their cries of, "We are number 1," but succeeded also in rewarding the two former first place teams in retiring the trophy for three years of outstanding performance.

Last spring, the lacrosse team increased the number of games in their season to a total of eleven. Although having the disadvantages of a small, relatively inexperienced squad, the team showed their winning spirit by defeating the majority of their opponents.

The 1969-70 season of the track team in league competition was not the best; however, there were outstanding division performers on the team which enabled it to place second in the County meet. The track team entered qualified men in State competition in the 880 yard relay, 100 yard dash, 220 yard dash and discus. The team took a first in the 100 yard dash, 2ND in the 220 yard dash, and 3RD in the 880 yard relay. Ronnie Miller took 1ST place in the 100 yard dash, tying the state record. The team is to be congratulated for its excellent individual efforts.

J.V. Baseball

Coach - Walter Crellin
Captain - Allan Thompson

The JV team had a disappointing season this year despite the fine spirit and winning attitude which was present at every game. The only victory of the season was a well-played 10-8 decision over Oxford. Poor batting and errors in the field were the determining factors in losing several close contests. Allan Thompson led the team in both hitting percentage and runs batted in, and did an excellent job as catcher throughout the season. Next season, with the aid of some promising players from the Junior High squad, the league standing of the Indians is sure to improve.

Varsity Baseball

Coach - Sam Hagen
Captain - Bill DeNenno

The Varsity Baseball team under Coach Hagen had an outstanding season this year, winning the league championship for the third straight year. The Indians combined excellent pitching, good fielding, and strong hitting as they overpowered their competition. John Brown and Jim Feiler were the pitching aces of the season. Brown pitched a no-hitter against Oxford and struck-out 20 batters in 10 innings against Avon Grove. Feiler, now playing professional ball with the Kansas City Royals, won several decisions and was a close second to Brown in the strike-out department. Ken Bailey pitched a one-hitter in his only start of the season against Garnet Valley. Bill DeNenno led the hitting attack with a .460 average and 5 home runs. Dan Kelly batted .450 with 2 home runs. Jim Feiler, a slugger as well as a pitcher, hit .385 including a long game-winning home run against Avon Grove. Both Coach Hagen and the entire varsity team are to be congratulated for bringing the baseball trophy home to Unionville to stay.

The golf team, though in its first year, turned out a fine season with help of a few experienced golfers on the team. Getting schools to play seemed more difficult than winning the matches themselves, as there were only three of them during the entire season, all of which were very close.
